

Week 3: Who's Your One? & BOLD Love

"The starting point of effective outreach is not a system, a program, or a specific presentation. It is a heart deeply in love with God and with people. Without love, no outreach strategy will work. With God's love, we can change the world." Kevin Hartney

1. Who's Your One? – Each Person shares with the group:

- Do you love the Lord? Do you let Him love you? What does it look like to abide in Jesus' love on a daily basis? Why is it important to love Him first?
- Do you love your "one" with God's love? Talk about what is motivating you to reach out to your "one" (guilt, checking boxes). How can you (we) grow a deeper love for our "one"?

BOLD Gospel – Group Discussion:

a. Think about the life and example of Jesus, what do we learn about how he loved and cared for those who were lost in sin and far from God? Share examples from His life.

b. Describe a time when you felt the love of God capture your heart and you began caring about a lost person because the heart of Jesus was beating in yours.

2. BOLD Accountability – Weekly Activity:

Look at your schedule for the next week and block out some time for connecting with your "one", solely for the purpose of building friendship (if it's the right timing, it may not be time to ask them). If you don't know how you could connect with them, ask your group members for ideas of things you could do with your one.

For the next five days pray this simple prayer: "God, help me love this person the way you do. Give me your heart for them".
