

## **Week 4: Who's Your One? & BOLD Love**

*"The starting point of effective outreach is not a system, a program, or a specific presentation. It is a heart deeply in love with God and with people. Without love, no outreach strategy will work. With God's love, we can change the world." Kevin Harney*

### **1) Who's Your One? – Each Person shares with the group:**

- a) Who is one Christian I have watched over the years who has modeled being salt and light in this world?
- b) What can I learn from this person's example?

### **2) BOLD Gospel – Group Discussion:**

- a) What kind of outreach activity that I've engaged in has felt the most natural? What has felt the most forced and foreign to me?
- b) Why do some people tend to sit on the bench when it comes to outreach, and what can be done to help them get on the field and engage in this important calling?
- c) As you look at each other, what do you see in each person's history, temperament, and personality that could be used by God to reach your "one" or people for Christ?

### **3) BOLD Accountability – Weekly Activity:**

Are you living an attractive Christian life? Being a Christian doesn't mean you pretend that everything is perfect, and Christians never struggle. It means you authentically express the goodness of living for Jesus. Take time to list at least ten reasons you are thankful to be a child of God through faith in Jesus.

Did you put a token in the Who's Your One? Display? Commit to placing your copy of the token in a prominent place where you will remember to pray for your One each day. Describe what you're going to do with your token to the group. Commit to following up with each other on your daily pursuit and prayer.
